**Westminster Chamber Congratulates
2010 Westminster Senior Center Senior of the Year**

Woody Woodyard

The Westminster Senior Center Senior of the Year is sincere, honest and helpful and will always help out whenever and wherever needed. The Westminster Senior Center Senior of the Year has brought baked goods over the years in the morning to share with the breakfast group, lends a helping hand to seniors in need of assistance and helps with a smile.

This Senior of the Year also helps the service men and women in the army to get them phone cards through the USO and steps up to the plate to help anyone in need and offers that help with passion.

The Westminster Senior Center Senior of the Year goes into the community and solicits food donations for Westminster Senior Center parties. He has been a key individual in the Senior Center Commodities Program as well as the Volunteer Commodities Program in the past.

The Westminster Senior Center Foundation is proud to name Woody Woodyard their Senior of the Year.
